As a cafe we do our best to offer a little something for everyone.

We have a small selection of gluten free products available for people with intolerance to gluten, but would like our customers to understand that we are unable to guarantee that these products have not been cross contaminated by our gluten products as our cafe is predominantly a gluten environment.

We follow all health and hygiene regulations to prepare these items separately to those which contain gluten.

We suggest that anyone with a serious medical intolerance discuss their needs with a member of staff whilst ordering.
